- The BMFPD Wildfire Mitigation Program has worked in conjunction with the property owner or their representative to develop a mitigation plan acceptable to both parties. Trees to be cut or low limbed have been marked in accordance with the plan.
 - Wildfire mitigation assessments are available at no charge to BMFPD residents.
 - An estimate for work to be performed is \$_____. Amount billed will be based on actual work hours.
 - Work overage in excess of 15% will not be performed without property owner notification and approval.
 - The amount billed is due and payable within 30 days of the invoice date. Any balance remaining unpaid after 30 days may be assessed interest at the rate of 1% per month of the unpaid balance.
 - The undersigned owner warrants and represents that they are the owner of the property and has full right to direct that the designated trees may be cut or trimmed. The undersigned shall indemnify and hold BMFPD and its employees harmless from any and all claims that may arise from the cutting of any trees designated under the plan that are not on the undersigned's site
- I wish to contribute \$_____ to the Eden Reforestation Project, a nonprofit that BMFPD Mitigation Crew is partnering with, which aims to replant seedlings (at a cost of \$.15 per seedling) in other countries that need reforestation and request this be added to my final invoice.
